Dear Sir,

Greetings on behalf of the NSEC E-Cell. After the successful completion of the HultPrize on Campusevent, it is now time to take it to the next step. The winners of this year Hult prize on campus event TeamHR-03 alongside with E-cell organizing committee members have been called forth to showcase their idea at the Hult Prize regional finals to be hosted at Kuala Lumpur in March 2018So, to make their dream successful and to ensure that they go one more step closer to winning the 1 million USD funding at the Hult Prize Grand Finals at the United Nations headquarters in New York City. and thus showcase NSEC as one of the premier institutions from India supporting and spearheading the movement of Social entrepreneurs, we as hosts, the NSEC E-Cell is looking forward for sponsorship for this event from our institution.

To cover travel and accommodation for the two days trip to the regional finals

Some key points of the Hult Prize 2017-2018

- One of the biggest platforms leading to Social Entrepreneurship
- Providing a chance for global leaders to showcase their idea at a global level
- Thus, combating the major issues of today's world and even leading to sustainable business around the globe
- It is a platform led by former US president Bill Clinton in association with the United Nations

Thus, this is a lifetime opportunity if this trip could be made possible for Team HR-03 alongside with E-cell organization committee and thus our prime institution Netaji Subhash Engineering College to come forward in the Global sphere and make a change.

Regards,

Team NSEC E-Cell.

MESSAGE FROM THE DIRECTOR

I, on behalf of Netaji Subhash Engineering College extend my best wishes and congratulate the participating students and the campus winners of the Hult Prize 2018 for their glorious achievement in their academic career. This participation will certainly encourage and motivate the entire student community of Netaji Subhash Engineering College to achieve their success mission.

In this connection a report on "X-SPARK" submitted by "Team HR-03" for Hult Prize 2018 will certainly give a pavement of academic honour to the concerned students of Netaji Subhash Engineering College.

I personally congratulate the participants named below and wish them all success.

1. NASEEM AHMAD, Team Captain and student of 2nd Year, *Electronics and Communication Engineering*
2. ASTHA GUPTA, student of 2nd Year, *Electronics and Communication Engineering*
3. SUKALYAN SAHA, student of 2nd Year, *Applied Electronics and Instrumentation Engineering*
