

**Dear Student,**

You are advised to download University's syllabus from: <http://www.wbut.ac.in/syllabus/Uploaded-1st%20Year%20Curriculum%20Structure%20for%20B.Tech%20courses%20in%20Engineering%20&%20Technology-2018-19-Rev02-25-06-2018.pdf>

And read the Honours part from page no 36

**College has decided that enrollment and registration for examination at least one course (preferably SOFT SKILL) is mandatory in 1<sup>st</sup> semester.**

### **Procedure to Enroll NPTEL Courses**

1. Google "nptel online" OR directly visit: <https://onlinecourses.nptel.ac.in/>
2. Search "soft" / "ethics" / "programming python" / "programming R"
3. Choose any one/two from (i) Soft skills by Prof. Binod Mishra AND/OR (ii) Ethics in Engineering Practice by Prof. Susmita Mukhopadhyay [it's 8 weeks course, so credits is 3] AND/OR (iii) Programming, data structures and algorithms using Python by Prof. Madhavan Mukund [it's 8 weeks course, so credits is 3] AND/OR (iv) The Joy of Computing using Python by Prof. Sudarshan Iyengar AND/OR (v) Introduction to R Software by Dr. Shalabh [it's 8 weeks course, so credits is 3]
4. Check whether it is a 12 weeks course or not [12 weeks means 4 credits]
5. Click on desired course, all details will be available about that course.
6. Click "Join" at the bottom [need a Gmail account]
7. During Registration:
  - (i) Motivation to Join Course = Mandated by college
  - (ii) Will you write the exam for this course? = Yes
  - (iii) Highest Qualification = High School
  - (iv) Year of Graduation = 2022 N
  - (v) Are you a part of an NPTEL local chapter? = Yes
  - (vi) College Name = NETAJI SUBHASH ENGINEERING COLLGE, KOLKATA
  - (vii) College Roll No = Student ID [only for 1<sup>st</sup> Sem]
  - (viii) Study Year = 1<sup>st</sup> Year.

**Detailed Enrollment Procedure:** <http://nsec.ac.in/notice/detail-nptel-procedure.pdf>

**BEST OF LUCK!**

For any query in this regard you may contact to HOD, EE (SPOC, NPTEL Local Chapter)

**NETAJI SUBHASH ENGINEERING COLLEGE  
TECHNO CITY, GARIA**

NSEC/PRIN/135/18-19

27.7.18

**NOTICE**

All the 1<sup>st</sup> year students are instructed to register their names in at least one NPTEL course from the below mentioned courses

1. Computer Programming with Python/R
2. Soft skill
3. Ethics

The college authority has decided that the registration for the NPTEL courses in each semester is mandatory.
