1. Confirmation of the Minutes and Resolution of the Last Meeting	The minutes and resolution of the last meeting of IQAC held on 27/ 09/ 2013 were confirmed by the members present.	
2. Action taken on the process of Implementation of Outcome based Education system as per the requirement of NBA	The Principal of the college and the chairman of the Cell informed the members that the recommendations of the IQAC have been seriously considered by the academic committee of the college. All the concerned departments have been informed to initiate the necessary steps so as to shift to OBE system. He also requested the members to further discuss on this issue in future, so that the college may properly be guided to achieve quality teaching learning system. The members expressed their satisfaction and agreed to discuss this issue further in subsequent meetings.	
3. Online Students' Feedback	The members pointed out that collection of students' feedback often becomes a tedious job and assimilation and analysis involves huge amount of paper work. Also manual collection of feedback often involves malpractices and feedback becomes partial. In order to overcome these issues, the members suggested collection of online feedback from the students. The process would require initial technical and financial assistance, but once the system becomes fully functional would minimize the use of paper and collection and analysis would become easier and impartial. It was resolved that the authority would be suggested to initiate the process of collection of online students' feedback.	Not Complied
