## Letter of Intent (LOI)

Superset ID: 2942855

Date: November 25, 2022

Dear AMAN KUMAR GUPTA,

We are immensely glad to extend a hearty welcome to you to our Cognizant family.

This LOI refers to your application for employment with Cognizant Technology Solutions India Private Limited (" **Cognizant** ") and subsequent discussions. Basis the information and representation provided by you, we have found you suitable for the GenC role and your designation will be **Programmer Analyst Trainee**. Upon final scrutiny, a formal full-time employment Offer Letter with the compensation, terms and conditions, rules, regulations & policies (" **Employment Agreement** ") will be issued, and such Employment Agreement shall be subject to and be effective only upon your successful completion of the full-time internship program or Cognizant identified training programs as opted by you or mandated by Cognizant and background verification. You will have an opportunity to opt for a full-time internship with stipend during your final semester and terms and conditions governing such full-time internship program shall be detailed in the Intern Offer Letter.

It is hereby clarified that participation in this full-time internship program or Cognizant identified training programs shall not deem to constitute you to be an employee of Cognizant and the scope of this full-time internship program or Cognizant identified training programs does not include any supervisory responsibilities and that there is no agency, fiduciary or employer-employee relationship intended or created by reason of this LOI.

During this full-time internship program or Cognizant identified training programs, you shall not be entitled for any benefits paid or made available to Cognizant's full-time employees.

Upon your successfully completion of full-time internship program or Cognizant identified training programs, completion of background verification and being onboarded as an employee under a definitive Employment Agreement, your annual total remuneration shall be **INR 4,01,988/- per annum**. The detailed information on compensation and benefits will be provided in your full-time employment Offer Letter.

This LOI expresses only our intent to enable you participate in the full-time internship program or such Cognizant identified training programs as opted by you or as mandated by Cognizant, and there upon successful completion of the training which brings eligibility to receive a definitive Employment Agreement, subject to completion of hiring formalities, background verification and procedures. Cognizant has zero tolerance towards malpractice in any form and reserves all rights with respect to hiring decisions and issue of full-time Offer. This document is only a letter of intent and does not constitute any contractual relationship between you and Cognizant. Cognizant holds all rights to withhold or cancel this LOI and/or the Intern / Full-time employment Offer Letter due to non-conformance of performance benchmark or moral code of conduct.

Code of Conduct : You shall comply with Cognizants Core Values and Standards of Business Conduct, located at and incorporated herein by reference. <https://www.cognizant.com/us/en/documents/code-of-ethics.pdf>

This LOI from Cognizant is valid for 1 week - 7 calendar days, from the date of the LOI. Hence, you are requested to accept or decline the LOI within 1 week from the date of the LOI. In case we do not receive any response from your end within the aforementioned time period, this LOI shall stand withdrawn, and will be considered as void. Any extension to the LOI validity will be at the sole discretion of Cognizant. Please note that this LOI is not deemed to be considered as an employment contract or offer letter for purposes of joining Cognizant as an employee. For all onboarding formalities, the definitive Employment Agreement is required.

Upon accepting this LOI, you hereby consent for Cognizant Technology Solutions India Private Limited to receive the personal information and/or sensitive personal information ("Personal Information") submitted by you for background verification and share the same with its empaneled vendors located in India for conducting mandatory background checks for employment opportunities with Cognizant.

For further queries, related to Letter of Intent (LOI), please raise a request by clicking "Raise a Query" button in the below link. Use Superset ID as Candidate ID and choose Category as Letter of Intent (LOI).

## Letter of Intent (LOI)

**Superset ID: 3424139**

**Date: November 25, 2022**

**Dear Sayantan Das,**

We are immensely glad to extend a hearty welcome to you to our Cognizant family.

This LOI refers to your application for employment with Cognizant Technology Solutions India Private Limited (" **Cognizant** ") and subsequent discussions. Basis the information and representation provided by you, we have found you suitable for the GenC role and your designation will be **Programmer Analyst Trainee**. Upon final scrutiny, a formal full-time employment Offer Letter with the compensation, terms and conditions, rules, regulations & policies (" **Employment Agreement** ") will be issued, and such Employment Agreement shall be subject to and be effective only upon your successful completion of the full-time internship program or Cognizant identified training programs as opted by you or mandated by Cognizant and background verification. You will have an opportunity to opt for a **full-time internship with stipend** during your final semester and terms and conditions governing such full-time internship program shall be detailed in the Intern Offer Letter.

It is hereby clarified that participation in this full-time internship program or Cognizant identified training programs shall not deem to constitute you to be an employee of Cognizant and the scope of this full-time internship program or Cognizant identified training programs does not include any supervisory responsibilities and that there is no agency, fiduciary or employer-employee relationship intended or created by reason of this LOI.

During this full-time internship program or Cognizant identified training programs, you shall not be entitled for any benefits paid or made available to Cognizant's full-time employees.

Upon your successfully completion of full-time internship program or Cognizant identified training programs, completion of background verification and being onboarded as an employee under a definitive Employment Agreement, your annual total remuneration shall be **INR 4,01,988/- per annum**. The detailed information on compensation and benefits will be provided in your full-time employment Offer Letter.

This LOI expresses only our intent to enable you participate in the full-time internship program or such Cognizant identified training programs as opted by you or as mandated by Cognizant, and there upon successful completion of the training which brings eligibility to receive a definitive Employment Agreement, subject to completion of hiring formalities, background verification and procedures. **Re: Internship Offer**

Dear Junaid,

Congratulations!! We are pleased to offer you an internship with LabVantage Solutions Pvt. Ltd.

We are happy that you will be part of the LabVantage experience during your internship and that we can provide you a platform to expand your knowledge, observe the real-life aspects of our business and contribute in a meaningful, creative, and positive manner.

Campus internship is a wonderful period to experience the Corporate setting, the way a multi-national organization works and also to participate in the shaping of the organizational culture.

Please find below some of the other important details about your internship:

- You will be based in our **Kolkata** office with the requirement to visit the office at least thrice a week or as desired by your supervisor.
- Stipend: During the internship period, you will be paid a monthly stipend of **Rs. 25,000/- (Rupees Twenty Five Thousand Only)** per month (this will be taxable with tax-deduction-at source as per the Income Tax Act 1961).
- Internship start date: **January 16, 2023**  
Internship end-date: June 30, 2023 or earlier (On request of the candidate and mutual agreement, the Internship can be extended based on final examination dates). Of course, the internship can also be ended by you or Labvantage with 7 days' notice in writing. We want to ensure that you are able to get adequate amount of time for preparing for your college examinations.
- Leaves: You are entitled to the following leaves – Personal Leaves which will accrue @ 1 day for every completed month and 4 days of Sick Leave / SL for the complete internship period. The Personal leaves are subject to approval either in the HR system or in writing, by/from your supervisor. You will also be entitled to exam leave based on your final semester examination dates. Any leave other than Personal Leave and Sick leave will result in proportionate loss of stipend.
- Confidential Information: During your internship, you may become aware of confidential information about our Company's business, including but not limited to information

regarding Company finances, pricing, products and new product development, software and computer programs, marketing strategies, suppliers, customers and potential customers. You may also become aware of similar confidential information belonging to the Company's clients. All such information must remain confidential and particularly not be disclosed to our competitors. Anyone who improperly copies, removes (whether physically or electronically), uses or discloses confidential information to anyone outside of the Company may be subject to disciplinary action up to and including termination of the internship. In addition, you agree that, upon conclusion of your internship, you will immediately return to the Company all of its property, equipment, and documents, including all electronically stored information.

- Please also find attached the Company's Handbook and by accepting this offer, you agree that you will follow all of the Company's policies that apply to non-employee interns as further described in the company handbook. You are eligible for the Company holidays as per the Company's Annual Holiday Calendar except for the options holidays. If and when you join the Company as an employee, you will come on direct rolls of the Company (As an intern you will be on "temporary employment" status which means that you will not yet be eligible for the employee benefits that regular Company employees receive).

We wish you the very best as you embark on your Corporate journey ! Please indicate your acceptance of this offer by signing below and returning it to Human Resources. If you have any questions, please do not hesitate to contact me.

## Letter of Intent (LOI)

**Superset ID: 2935948**

**Date: November 25, 2022**

**Dear Snehal Sur,**

We are immensely glad to extend a hearty welcome to you to our Cognizant family.

This LOI refers to your application for employment with Cognizant Technology Solutions India Private Limited (" **Cognizant** ") and subsequent discussions. Basis the information and representation provided by you, we have found you suitable for the GenC role and your designation will be **Programmer Analyst Trainee**. Upon final scrutiny, a formal full-time employment Offer Letter with the compensation, terms and conditions, rules, regulations & policies (" **Employment Agreement** ") will be issued, and such Employment Agreement shall be subject to and be effective only upon your successful completion of the full-time internship program or Cognizant identified training programs as opted by you or mandated by Cognizant and background verification. You will have an opportunity to opt for a full-time internship with stipend during your final semester and terms and conditions governing such full-time internship program shall be detailed in the Intern Offer Letter.

It is hereby clarified that participation in this full-time internship program or Cognizant identified training programs shall not deem to constitute you to be an employee of Cognizant and the scope of this full-time internship program or Cognizant identified training programs does not include any supervisory responsibilities and that there is no agency, fiduciary or employer-employee relationship intended or created by reason of this LOI.

During this full-time internship program or Cognizant identified training programs, you shall not be entitled for any benefits paid or made available to Cognizant's full-time employees.

## Accolite Hiring Challenge

Dear Placement Team,

This is to inform you that Accolite has opened the 2nd cycle of 2019-20 fresher hiring contest called the **Accolite Hiring Challenge 8.0!**

It is an online process of recruitment at Accolite, through the in-house developed application named EduThrill- a gamified version of learning and hiring.

Currently, we are opening this for those students who are passing out in June, 2020 and looking to kick-start their career as a **Software Engineer** at our prestigious organization.

To Register and find more details on the job role, eligibility criteria and test instructions click on the icon provided

below:

**About the Process**

The link provided above will redirect you to the EduThrill registration page. You can register there and start playing.

We would like to invite candidates/interested applicants from your institution to take part in this drive.
