Google Developer Student Clubs
Netaji Subhash Engineering College

Solution Challenge, 2024

We are glad to announce you that **Google Developer Student Club – NSEC** has organised an online workshop titled “**Introduction to Solution Challenge, 2024**” on **21st Dec’23** from **07:00 PM** to **08:30 PM**. The mission of the Solution Challenge’24 is to solve for one or more of the United Nations' 17 sustainable development goals using Google technologies like Android, Firebase, TensorFlow and so on to tackle real-world issues around the world. The participation is open for all tech-savvy students from GDSC from different technical Institutions or Universities. The participants can find hands-on learning, good networking opportunities, prestigious recognitions and awards as well. Following is the list of exciting prizes to be offered from Google to the successful participants around the World.

- Top 100 will win a T-shirt, certificate, and mentorship from Google and other experts to improve and submit a solution for the top prize.
- Final 100 will win a **\$1,000** cash prize per team member and a feature in the Google Developers Blog and global Demo Day livestream, plus mentorship with a Google expert, swag, and a certificate.
- Winning 03 will win a **\$3,000** cash prize per team member and a feature in the Google Developers Blog and global Demo Day livestream, plus mentorship with a Google expert, swag, and a certificate.

Save the date and time: 21st December, 2023 at 07:00 PM
