FIREBASE FUNDAMENTALS: EMPOWERING ANDROID APP DEVELOPMENT

The Dept. of Information Technology, Netaji Subhash Engineering College has organized an online workshop titled “**Firestore Fundamentals: Empowering Android App Development**” on **30th January, 2024, Tuesday** from **07:00 PM to 08:30 PM** in collaboration with the Google Developer Student Club – NSEC. Mr. Paritosh Vaidya, a renowned Android Expert and Google Android Educator will be the keynote speaker for the session.

We are glad to inform you that already the Dept. of Information Technology, NSEC has been organizing an online coursework on “**Android Development with Compose**”. It is a 107 hours long online coursework launched by Google and monitored by the Dept. of Information Technology, NSEC. It is being conducted from 23rd December’2023 till 31st March’2024 for 100 days. This workshop is a part of that coursework. The students from any year from any degree course can participate in this course. The Faculty members and Technical Assistants from any department can also participate in this course. The coursework is completely free of cost.

The candidates must fill up the following RSVP link to participate in the workshop.

RSVP link: <https://gdsc.community.dev/e/mrf9eq/>

You will find the workshop joining link in your registered email.

Following is the registration link of the coursework.

Course Registration Link: <http://tiny.cc/AndroidCourse>

Following is the link to submit the Google Developer Public Profile URL.
