Soroban Accelerated Bootcamp - Blockchain

★ Exciting Announcement! Join the Soroban Accelerated Bootcamp India ★

🚀 Are you ready to embark on a journey into the world of Stellar Blockchain and Soroban technology? 🚀

GDSC-NSEC in association with Dept. of Information Technology, NSEC are thrilled to announce the Soroban Accelerated Bootcamp India, a comprehensive workshop where you'll dive deep into the intricacies of Stellar Blockchain and master the innovative Soroban platform.

What to Expect:

- 🔹 In-depth sessions on Stellar Blockchain Technology
- 🔹 Hands-on tutorials to harness the power of Soroban
- 🔹 Building full stack projects using Soroban
- 🔹 Opportunity to earn a \$50 bounty for each completed project

Pre-requisites:

- 🔹 Install Rust in your system.
- 🔹 Please configure Soroban SDK through the terminal.
- 🔹 Learn basics of Rust before the Workshop.

Date & Time:

📅 Workshop Dates: 26th April, 2024, Friday

🕒 Timings: 01:00 PM to 05:00 PM (IST)

Venue:

📍 Room. No. O-501, Office Building, Netaji Subhash Engineering College, Kolkata.

🚀 **Hurry up seats are limited. Register at** <http://tiny.cc/BlockchainBootcamp>

Don't miss out on this incredible opportunity to accelerate your knowledge and skills in Blockchain Development with Soroban! Join us at the Soroban Accelerated Bootcamp India and let's innovate together. 🚀
